HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Memorandum dated 25th September, 1902, from the Minister of the Interior, stating that application has been made by Mr. Philip Parke, of Cache Creek, British Columbia, to purchase the following lands:—

The fractional north-east quarter of Section 29, the north half of Section 30, the north half of the north-west quarter of Section 28, the south half of the south-west quarter of Section 33, and the east half of the south-east quarter of Section 32, all in Township 21, Range 24 west of the 6th Meridian, and the fractional north-east quarter of Section 25, Township 21, Range 25, west of the 6th Meridian, containing 711.20 acres.

The Minister further states that the lands applied for, as above, are available, but that Mr. Parke has already purchased the full area of 640 acres which may be sold under the regulations to one individual without the special authority of the Governor in Council.

The Minister recommends that he be authorised to sell the lands, now applied for, to Mr. Parke at the rate of \$2.50 per acre, that being the rate at which other lands in the same vicinity were sold to Mr. Parke under the authority of the Order in Council of the 27th June, 1898.

The Committee submit the same for approval.
